WALL OR COLUMN BRACKET ASSEMBLY INSTRUCTIONS

PARTS LIST:

PARTS	QUANTITY
A. WALL BRACKET	4
B. ROD	2
C. CLEVIS PIN	4
D. RETAINER RING	4
E. CAP	4

This banner bracket system is used to hang banners flat against the wall or a column of a building.

ASSEMBLY INSTRUCTIONS:

Install the 2 top brackets (A), slide the rod (B) through a bracket (A), the banner pocket and the other bracket (A). Install clevis pins (C) through the holes in the rod (B) and insert retainer rings (D) in the end of the clevis pins. Place caps (E) over ends of the rods (B). Stretch out banner and install bottom brackets the same as the top ones.

ALL PRODUCTS ARE WARRANTED AGAINST MANUFACTURING DEFECTS ONLY.
