

## WALL OR COLUMN MOUNT BANNER BRACKET ASSEMBLY INSTRUCTIONS

### PARTS LIST:

4 - Wall Mount Brackets (A)

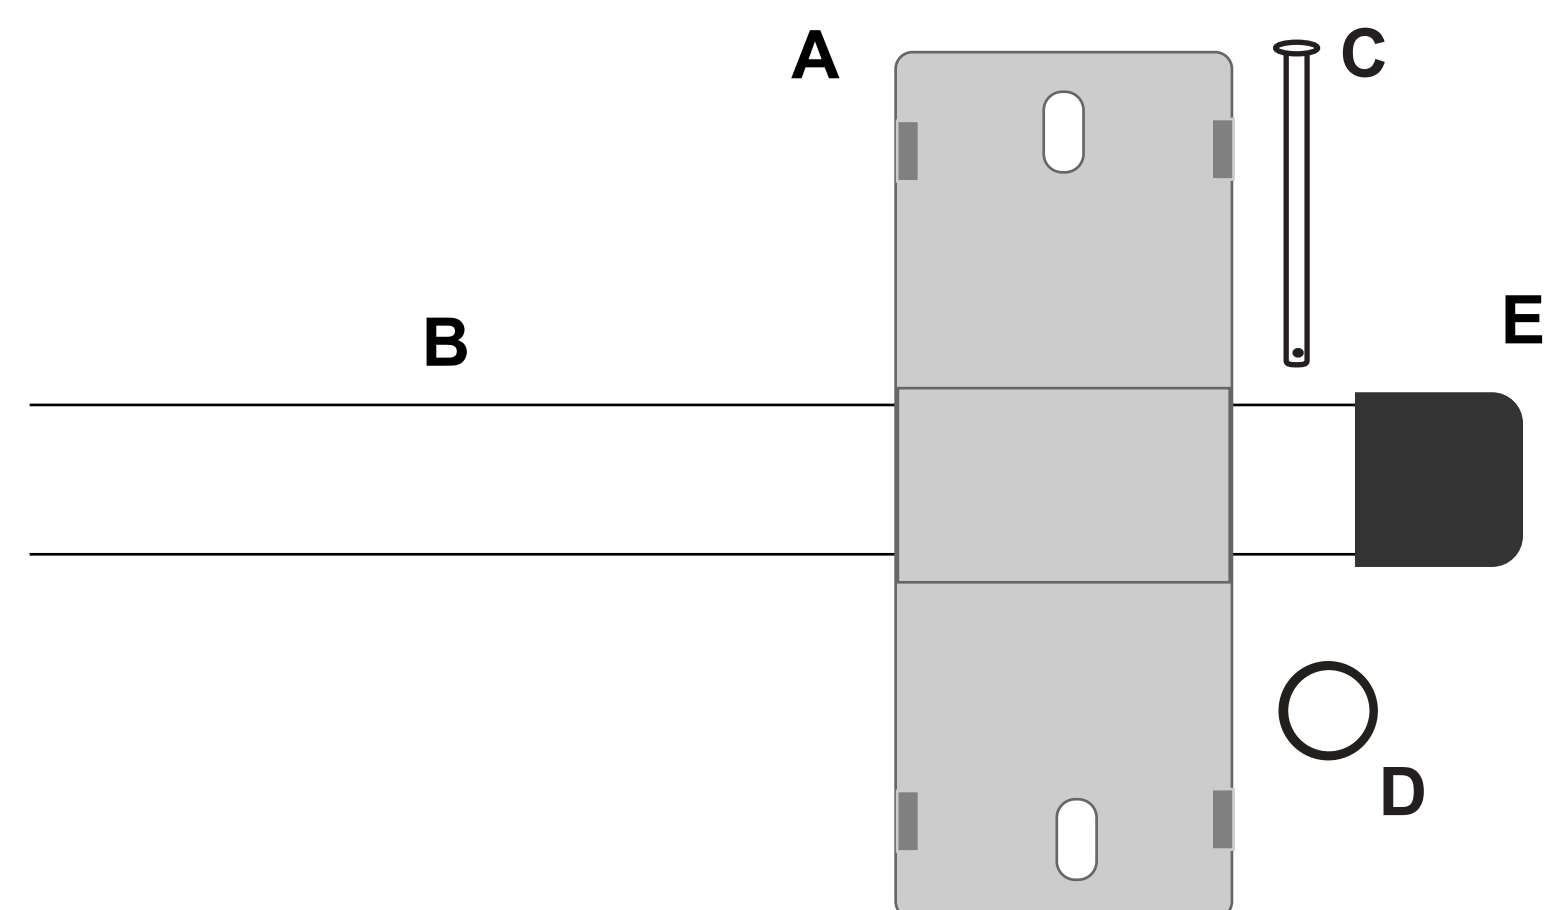

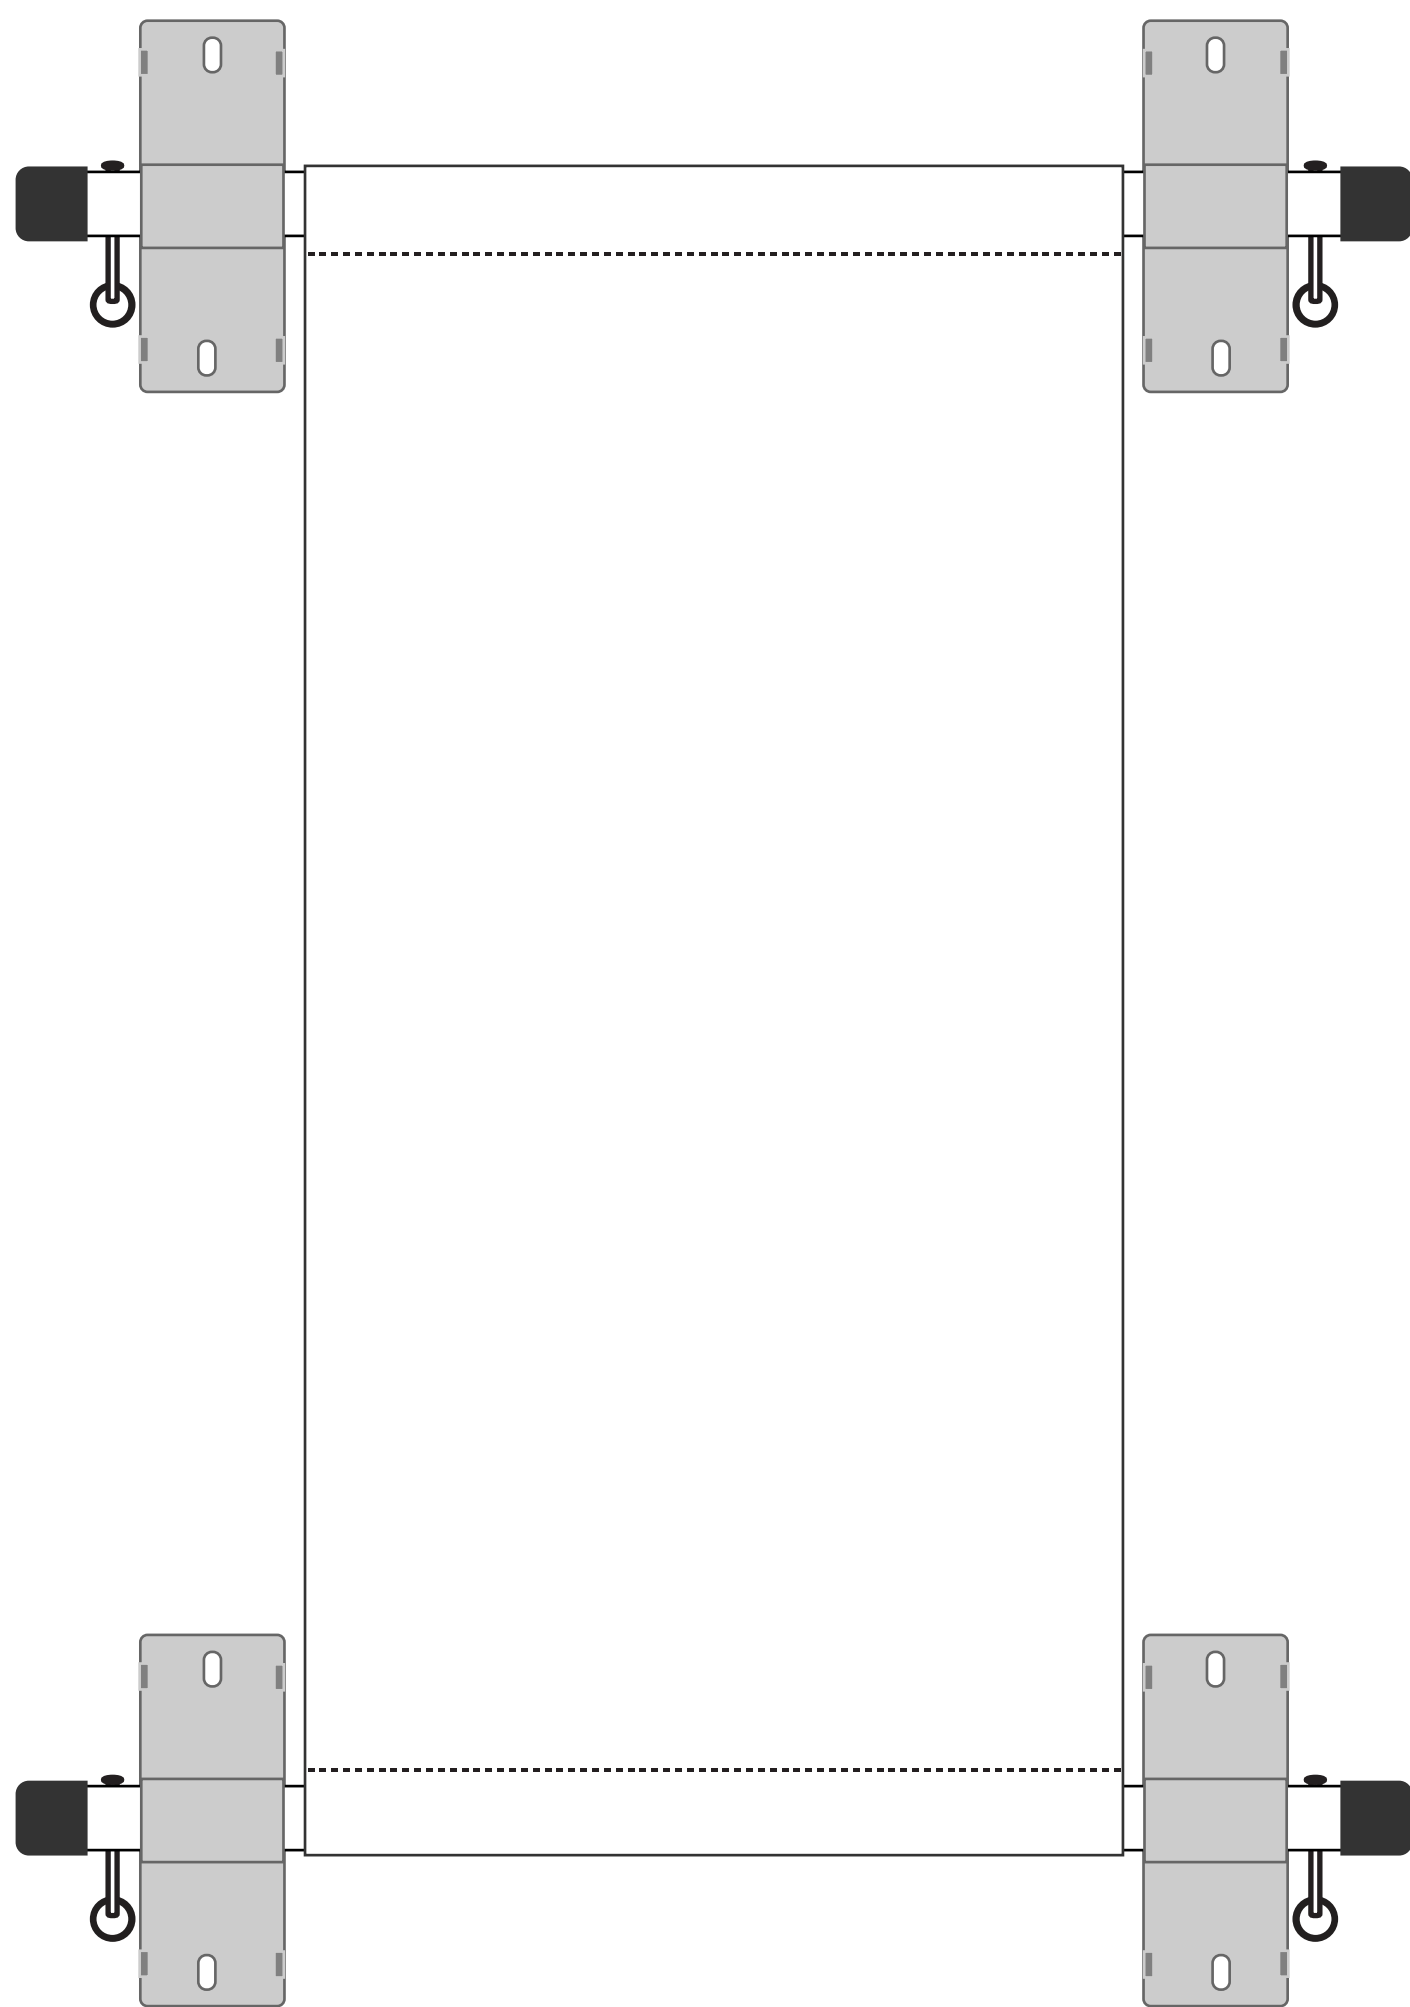

2 - Rods (B)

4 - Clevis Pins (C)

4 - Retainer Rings (D)

4 - End Caps (E)

*\*Wall mounting hardware not included.*

*\*Illustrations are not to scale*

1. Install the two top brackets (A).
2. Slide the rod (B) through a bracket (A), the banner pocket and the other bracket (A).
3. Install clevis pins (C) through the holes in the rod (B) and insert retainer rings (D) in the end of the clevis pins (C).
4. Repeat steps for two bottom brackets (A).
5. Place end caps (E) over ends of the rods (B) and stretch out banner appropriately.
